

Liz Guenthner

Full Stack Web Developer

(512) 229-6345 | elizabeth.guenthner@gmail.com

Born and raised in Austin, TX, I am a lifelong learner and designer of technical projects as a full stack developer. I enjoy the fast-paced world of technology where I can utilize my right and left brain to enhance the digital presence of clients. Pixels, paints or processes...design and function are my passions.

Skills

- Technologies & Frameworks - HTML5, CSS3.0, LESS, SASS, PHP
- CMS/CRM - WordPress, 1&1
- Scripts/UI - JavaScript, jQuery, OOJS, AJAX, Bootstrap, Node.js, Git
- Databases - MySQL, Firebase
- Debug Tools - Mozilla Firebug, Chrome Developer Tools, Cross-browser compliance
- Versioning Tools - GitHub, GitLab, Jira, SourceTree
